

FACCOC'S
**GO GREEN
& HEALTH**
EXPO

**BUILDING A
BRIGHT
FUTURE**

**SEP
25
2025**

Anaheim Marriott Suites

Presented by:

"The greatest threat to our planet is the belief that
someone else will save it."
— Robert Swan

The annual **Go Green & Health Expo** is FACCOC's flagship event, renowned as the largest and most well-attended gathering in the community. This event serves as a dynamic platform where businesses from the "green" sector—those committed to eco-friendly practices, conservation, and sustainability—are prominently featured. The expo showcases a diverse range of companies, from startups and small businesses specializing in green products and services to larger enterprises eager to demonstrate their commitment to environmentally responsible practices.

The expo's format is designed to facilitate interaction and learning. Exhibitors have the chance to showcase their latest products, services, and innovations, while attendees can explore a wealth of offerings, discover new market trends, and connect with like-minded individuals and businesses. This event not only fosters awareness and education but also encourages the community to support businesses that prioritize sustainability. Whether you're looking to make your business more eco-friendly or simply want to learn more about green living, the Go Green & Health Expo is the place to be.

Geraldine Larson

**PRESIDENT
FILIPINO AMERICAN CHAMBER OF COMMERCE
OF ORANGE COUNTY**

On behalf of the Filipino American Chamber of Commerce of Orange County, it is my honor and pleasure to welcome you all to our Go Green & Health Expo!

Today is all about empowering our community – through sustainable living, healthier choices, and meaningful connections. We are proud to bring together businesses, innovators, health advocates, and community leaders who are making a difference in both our environment and our well-being.

Let's take this opportunity to learn, collaborate, and inspire one another to create a greener and healthier future – not just for ourselves, but for generations to come.

Thank you for being here, and we hope you enjoy the event!

JOE MOSCA

CEO of Orange County Power Authority

Joe Mosca is the CEO of Orange County Power Authority (OCPA), overseeing its operations and representing OCPA on the California Community Choice Association (CalCCA) Board. He brings extensive experience in the California energy sector and local government, having worked for San Diego Gas & Electric and Southern California Gas Company.

Joe has held leadership roles, including mayor of Sierra Madre and president of the San Dieguito Water District. He was a founding member and former Chair of the Board of San Diego Community Power. Joe is a California Bar Association member with a JD from Quinnipiac University School of Law.

ORANGE COUNTY
POWER AUTHORITY
THE POWER OF COMMUNITY

Dr. Regina Chinsio-Kwong (Dr. CK)

Dr. CK currently serves as the County Public Health Officer at the Orange County Health Care Agency.

She joined the OC Health Care Agency in November 2020 in response to the COVID pandemic and was heavily involved with planning and clinical operations of Orange County's COVID vaccination efforts in 2020 and 2021. She then took on the role of County Health Officer in 2022. As Orange County's Health Officer, she continues to focus her efforts in engaging with the medical community to improve awareness of HCA efforts and programs.

She is a Board-Certified Family Physician and obtained her medical degree in osteopathic medicine from Western University. Prior to working in Public Health, she provided direct care as a primary care physician in Orange County and served as Medical Director for Innovative Wellness Clinics – where she provided a holistic approach to delivery of clinical services.

She previously served as a Navy Family Physician, completing residency training at Naval Hospital Camp Pendleton, and eventually served as faculty at Naval Hospital Camp Pendleton's Family Medicine residency program.

KATE WU

Assistant Vice President
Business Access Advisor

Kate Wu began her career in Financial Planning & Analysis before joining U.S. Bank's Business Banking Team. Fluent in Mandarin and Cantonese, she has a deep understanding of the challenges faced by minority entrepreneurs and new immigrants, from navigating financial systems to overcoming cultural and language barriers. Dedicated to bridging these gaps, Kate promotes financial literacy, connects business owners to resources and capital, and has been invited to speak at over 30 organizations. She believes empowering entrepreneurs with knowledge and access leads to long-term prosperity for both businesses and communities.

SANDRINE CASSIDY

SENIOR
SUSTAINABILITY
CONSULTANT

ENVIRONMENTAL
INNOVATIONS

Sandrine Cassidy helps cities, businesses, nonprofits, and schools implement programs in waste reduction, recycling, energy and water conservation, pollution control, and green purchasing. She has supported over 600 businesses in adopting green standards and gaining recognition for their sustainability efforts. As the Southern California representative for the California Green Business Network, she manages several programs across the region. Sandrine also holds a LEED Green Associate accreditation and a CRRA Certificate in Sustainable Resource Management.

CARMEN OLIVER

Engineer

Carmen Oliver is part of the Foodservice Energy Efficiency Team at SoCalGas, where she supervises the Vendor Outreach Team. With over 20 years at SoCalGas, she has extensive experience in commercial and industrial markets and previously served as Training Supervisor and Senior Account Executive for the Process Food Industry. Carmen holds a B.S. in Mechanical Engineering from CSU Northridge and an MBA from CSU Long Beach, and is a certified Foodservice Energy Efficiency Expert (Fe³). Her team supports vendors and restaurant customers with rebates, new technologies, and energy-saving programs.

NINA BARBER, J.D.

Executive Director

NOROOZ CLINIC FOUNDATION
NON-PROFIT MENTAL HEALTH CLINIC

Nina Barber is the Executive Director of the Norooz Clinic Foundation, a non-profit mental health clinic in Santa Ana dedicated to providing affordable services to underserved communities. Since 2012, she has led efforts to combat mental health stigma by developing low-cost and pro-bono therapy programs. Nina holds a B.A. in Psychology from CSU Fullerton and a Juris Doctor from Santa Clara University School of Law, and is on track to become a licensed attorney. In addition to her non-profit work, she is also an entrepreneur and educator, running her own jewelry and media businesses and teaching legal research and writing as an adjunct professor.

Change a life

Become a Family Home Agency provider

We all want a place to call home. You can help make that a reality for an adult with disabilities.

In our Family Home Agency program, adults with developmental disabilities are matched and live with caring people like you — someone with room in your home and heart. Whether you're single, married, have kids, or are an empty-nester, you can make a difference as a Family Home Agency provider.

Become a Family Home Agency provider with our California MENTOR team and help change a life.

Governed by the CalSavers Retirement Savings Board

CalSavers: What You Need to Know

CalSavers is California's retirement savings program for the millions of Californians without a way to save at work. CalSavers was established by a [state law](#) passed in 2016 to ensure all Californians have an easy way to save for their future in a state where half are on track for financial hardship in retirement age. California employers that do not sponsor a retirement plan are required to join CalSavers – an automatic enrollment Individual Retirement Account (IRA) with payroll contributions.

For employees:

There are two ways for employees to join: through a participating employer or directly through the [website](#). Gig workers, self-employed, or anybody who wants to save some of their income can [join](#). With CalSavers, enrollment is easy, investing is simple, and accounts are portable. Employees are enrolled automatically unless they choose to opt out. Once enrolled, employees can contribute to their account with each paycheck.

For employers:

Designed to be managed by private employers, CalSavers has oversight from a public board chaired by the State Treasurer.

**Easy to facilitate, with
no employer fees**

**Register and run
CalSavers by
November 30,
for the chance
to receive \$500!**

Sign up today!

If employers missed their registration deadline, they must [facilitate](#) [CalSavers](#) to avoid penalties. Each year, newly mandated employers will receive communications from the program informing them of their status and participation deadline. State law requires that all businesses with one or more employees must begin facilitating CalSavers by December 31, 2025, if they do not sponsor a retirement plan. Businesses that miss the deadline will receive financial penalties of \$250 or \$500 per employee.

CalSavers is also offering an early registration incentive campaign: register and start facilitating by November 30, 2025, for a chance to win \$500. Go to [calsavers.com/rules](#) for details.

CalSavers has full-time multilingual customer service staff and translation services available in most languages. For more info, visit: [calsavers.com](#). Or, you can join a webinar to learn how the program works and get any questions answered in real time: [saver.calsavers.com/home/savers/webinar.html](#). There's also CalSavvy, a brand new chatbot, available to answer any of your questions regarding plan benefits, registration support, and much more.

Stand out in the competitive healthcare field!

Real Patients. Real Healthcare Settings. Unparalleled Experiences.

- Community outreach events
- Social media campaigns
- Annual Unlocking Stigma Fair

Orange County's clean energy provider

Since 2022, Orange County Power Authority (OCPA) customers have helped reduce carbon emissions by more than 2 billion pounds! That's equal to taking over 224,000 gas-fueled cars off the road, just by choosing renewable energy options provided by OCPA.

OCPA is part of a growing movement of 25 community choice energy providers across California. OCPA provides more than 177,000 Orange County homes and businesses the choice of renewable energy at affordable rates, building a brighter, healthier future for our community.
