WELCOME TO THE EXPO

The annual Go Green & Health Expo is FACCOC's flagship event, renowned as the largest and most well-attended gathering in the community. This event serves as a dynamic platform where businesses from the "green" sector—those committed to eco-friendly practices, conservation, and sustainability—are prominently featured. The expo showcases a diverse range of companies, from startups and small businesses specializing in green products and services to larger enterprises eager to demonstrate their commitment to environmentally responsible practices.

JEFFREY BAUTISTA

PRESIDENT

On behalf of the Filipino American Chamber of Commerce of Orange County, it is my honor and pleasure to welcome you all to our Go Green & Health Expo!

Today is all about empowering our community — through sustainable living, healthier choices, and meaningful connections. We are proud to bring together businesses, innovators, health advocates, and community leaders who are making a difference in both our environment and our well-being.

Let's take this opportunity to learn, collaborate, and inspire one another to create a greener and healthier future — not just for ourselves, but for generations to come.

Thank you for being here, and we hope you enjoy the event!

CITY WELCOME REMARKS

GARDEN GROVE

Centrally located in Orange County, California, the city of Garden Grove (17.8 square miles) is home to over 170,000 residents and is a friendly, spirited, and balanced community rich in diversity—a city with a view to the future.

Garden Grove is the fifth largest city in Orange County and is conveniently located less than one mile from the Disneyland Resort, 12 miles from local beaches, and 30 miles from Downtown Los Angeles. Incorporated June 18, 1956, the city was founded in 1874 by Dr. Alonzo Cook.

WELCOME REMARKS FROM OC POWER

**JOE
MOSCA**
CEO, OC POWER AUTHORITY

Joe Mosca is the CEO of Orange County Power Authority (OCPA), overseeing its operations and representing OCPA on the California Community Choice Association (CalCCA) Board. He brings extensive experience in the California energy sector and local government, having worked for San Diego Gas & Electric and Southern California Gas Company.

Joe has held leadership roles, including mayor of Sierra Madre and president of the San Dieguito Water District. He was a founding member and former Chair of the Board of San Diego Community Power. Joe is a California Bar Association member with a JD from Quinnipiac University School of Law.

KEYNOTE: "INSPIRED"

**DR. STEFAN
BEAN**

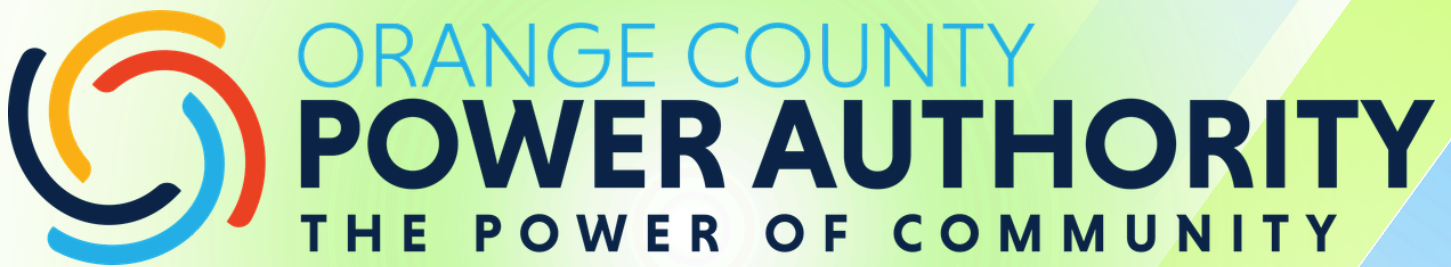

**SUPERINTENDENT
OC SUPERINTENDENT OF SCHOOLS**

Dr. Stefan Bean has spent the last 28 years serving Southern California communities and students. Education has always been a passion of his – so much so he devoted his life to it.

In 2020, Dr. Bean's wife, Janet passed away from cancer. Before she passed she asked Dr. Bean to take care of the kids. As part of his promise to his wife, Dr. Bean vowed to continue their pursuit of selflessness, by serving and protecting the students and families of California. It is why he has entered the race of OC Superintendent of Schools.

Dr. Bean is the American Dream and the very best of educational leadership. He is the example of resilience and self-determination we want for students – the American mantra that there is no obstacle too great that, with hard work, he cannot overcome. Thank you so much for taking the time to join in our effort and help make a difference!

GREEN TALK: UNDERSTANDING RENEWABLE ENERGY AND COMMUNITY CHOICE ENERGY

The Orange County Power Authority (OCPA) is a locally governed, not-for-profit community energy provider serving communities across Orange County. OCPA provides residents and businesses with greater choice in their electricity supply while supporting the transition toward cleaner energy.

OCPA procures renewable energy from sources including solar, wind, geothermal, and hydropower. Its programs are designed to expand access to clean energy while giving customers options that align with their energy needs and sustainability goals.

Through community-focused initiatives and reinvestment, OCPA works to support a cleaner, more sustainable, and resilient future for Orange County. Its work brings together clean energy, local communities, and opportunities to advance environmental progress.

HEALTH TALK: SUPPORTING BRAIN HEALTH IN OUR COMMUNITY

RONIE BUNAO
MSN, RN,
PMHNP-BC

OUTGOING PRESIDENT, PNACOC

Ronie Bunao, MSN, RN, PMHNP-BC, possesses a professional background primarily rooted in mental health, nursing education, and leadership. Mr. Bunao previously worked with the Orange County Health Care Agency's Adult Behavioral Health Services for more than 10 years and brings extensive experience from several acute psychiatric hospitals throughout Orange County. Additionally, he has served as adjunct nursing faculty at West Coast University.

RESOURCE SPEAKER

GERALDINE LARSON

**CEO
GL LARSON INSURANCE &
FINANCIAL SOLUTIONS**

Although born in the Philippines, Geraldine is a California girl at heart, having been raised in Orange County. Growing up, Geraldine's parents owned a small security guard and alarm company, hard work was instilled in her at an early age, working as her mother's assistant from the age of 12.

Geraldine has 30 years in the insurance industry and after many years in Corporate America, she has finally taken a step towards independence by starting her own insurance agency in 2017. As an independent broker, she helps individuals and business owners like you achieve their bottom-line, while still providing best in class service. Geraldine specializes in group employee benefits, individual medical including Covered CA, Medicare, and financial services products. Whether individual or business, Geraldine takes a holistic approach to help you prioritize both your fiscal and physical wellness today to help protect your tomorrow.

RESOURCE SPEAKER

Business Enterprise Services

Jon Gaskell serves as a Business Outreach Liaison with the Office of Small Business and Disabled Veteran Business Enterprise Services, part of the California Department of General Services. In this role, he provides guidance on Small Business and Disabled Veteran Business Enterprise certifications, as well as helping California business navigate the state procurement process.

Jon enjoys collaborating with strategic partners and businesses throughout California. A graduate of Michigan State University, with bachelor's degrees in political science and journalism, Jon has worked for ten years in California state government—mostly in a public affairs and communications capacity.

RESOURCE SPEAKER

DANIELLE TUASON, MPA

CEO & MANAGING OWNER

Seniors
Helping
Seniors®

Danielle Tolentino Tuason, MPA is the CEO and Managing Owner of Seniors Helping Seniors® Orange, providing compassionate in-home care to older adults throughout North Orange County.

After nearly 20 years in nonprofit leadership, Danielle brought her heart for service into senior care. Her Filipino roots—and a culture where family, community, and caring for our elders run deep—have shaped the way she approaches this work.

Danielle has a big vision: 10,000 mature caregivers caring for 10,000 older adults, so no one has to age alone. She loves that Seniors Helping Seniors® creates impact on both sides of care—helping older adults stay connected and supported while giving mature adults opportunities to continue sharing their time, talents, and life experience. Seniors Helping Seniors® Orange has proudly been recognized with the Best of Orange award two years in a row.

When she's not working, Danielle can usually be found with her husband and two kids. They enjoy playing tennis, watching a good movie, traveling, or simply enjoying time together.

ELIGIBLE FOR THE

\$3,500

California MyFirstEV Program*

*Program funded in part by CARB and California Climate Investments. MyFirstEV California is part of California Climate Investments, which uses billions of Cap-and-Invest dollars to fund projects that reduce harmful emissions, protect public health, strengthen local economies, and support natural environments. With a strong focus on communities most impacted by pollution and limited access to resources, California Climate Investments helps build a more equitable and sustainable future. MyFirstEV incentive for new zero-emission vehicle purchases or leases applies to models with a base manufacturer's suggested retail price (MSRP) of \$50,000.00 or less available at participating dealers. MSRP excludes options, destination charges, taxes, title, license and fees. Eligible vehicles must be purchased, delivered, and registered in California by California residents meeting MyFirstEV eligibility requirements, including being a first-time EV purchaser or lessee and successfully submitting a CARB Attestation Form demonstrating eligibility. Other restrictions and limitations may apply, and program is subject to change. For more information on the MyFirstEV incentive see participating dealers and please visit <https://www2.arb.ca.gov/myfirstev>. Must take new retail delivery by 09/30/2025.
